

TEJAN RAJ

Kanpur, Uttar Pradesh | 9305309784 | tejanraj003@gmail.com

LinkedIn: <https://www.linkedin.com/in/tejan-raj-8153632ab/>

PROFESSIONAL SUMMARY

Results-driven Computer Science undergraduate with strong foundations in Python, C++, Java, Data Structures & Algorithms, and Object-Oriented Programming. Experienced in software development projects, debugging, and problem-solving through hackathons and academic work. Passionate about developing efficient applications, optimizing code, and learning modern technologies.

TECHNICAL SKILLS

Programming Languages: Python, C, C++, Java

Database: MySQL

Tools & Platforms: VS Code, Android Studio

Core Subjects: Data Structures & Algorithms, OOP, DBMS, Operating Systems, Computer Networks

Soft Skills: Problem-Solving, Analytical Thinking, Team Collaboration, Debugging

PROJECTS

Sabarmati Riverfront Project | Smart India Hackathon (SIH)

- Developed ideas for a smart infrastructure and riverfront management solution during SIH.
- Collaborated with team members on problem analysis, planning, and implementation.
- Strengthened practical skills in teamwork, solution design, and project execution.

2D Ball Physics Simulator

- Built a real-time 2D physics simulation for gravity, motion, and collision handling.
- Applied mathematical and algorithmic concepts to improve simulation efficiency and accuracy.
- Enhanced understanding of OOP concepts, optimization, and logical problem-solving.

EXPERIENCE

Academic Project Experience

- Contributed to multiple academic projects involving coding, debugging, testing, and solution development.
- Worked collaboratively in teams to analyze requirements and improve project outcomes.

EDUCATION

Bachelor of Technology (B.Tech) – Computer Science & Engineering

Maharana Pratap Engineering College | Dr. A.P.J. Abdul Kalam Technical University (AKTU)

2023 – 2027

CERTIFICATIONS & ACHIEVEMENTS

- Smart India Hackathon (SIH) – National Level Participant
- IBM Python Course Certification
